Subject: : Joint initiatives between the Department of Architecture of the University of Roma Tre and the "College of Civil Engineering" at the University of Fuzhou (China), "International Joint Research Laboratory of Innovation in Structural and Bridge Engineering" initiative between the Department and the FIP Industriale, presentation event in Fuzhou.

Dear Professor Nuti,

I refer to your letter and our previous contacts to confirm that the activities promoted by your co-operation agreement with the University of Fuzhou, focusing on the inherent safety of the interventions on the existing structures and to ensure adequate safety levels fall between best interests of the Board of Public Works.

Technical support to Industry are among our primary interests as well, even through the activities of the Central Technical Service.

Hereby I am glad to confirm to you, through this letter, the support of the Superior Council for Public Works, to the initiatives in subject.

With my best regards

Roma 18.11.2014

President

Dr. Eng. Massimo Sessa
